Consent Agenda Item (Action Item): Purchase of 3 new school buses.

Applicable State or Regulations: Policy 06.11 The board requires that school buses purchased for use meet all the KY statutory requirements and all Kentucky State Department of Education specifications established for school buses at the time of purchase. Every effort shall be made to retire or replace eight to ten percent (8%-10%) of the district's bus fleet from regular service on an annual basis.

Fiscal/Budgetary Impact: Replacement of 3 buses at the cost attached quotes pending be (Thomas) Boyd Cat to meet KDE state bus specifications and pricing guide

History/Background: Replacement of non-depreciable buses with up to date, modern depreciable value buses. The new buses will include modern safety and environmental upgrades, better fuel mileage, safer emissions control, and a warranty period that will reduce labor costs.

Recommended Action: Replacement of non-depreciable buses with up to date, modern depreciable value buses. The new buses will include modern safety and environmental upgrades, better fuel mileage, safer emissions control, and a warranty period that will reduce labor costs.
