- *Fall Break & Professional Learning: Following a much-needed Fall Break, Little Panther Academy staff participated in a professional development day on October 12, focusing on continued professional growth and preparation for the weeks ahead.*
- *Pre-K for All Pilot Program: We have completed our Kindergarten Brigance Screeners as part of Kentucky's Pre-K for All Pilot Program. We are continuing to collect family surveys to gather valuable feedback and support our program's participation in the pilot.*
- *Family Engagement – Tucker the Turtle Night: Little Panther Academy is excited to host a special family engagement event on October 29, in conjunction with the elementary school's parent-teacher conferences. Ms. Jordan and Ms. Brooke have coordinated a fun, interactive evening to introduce families to Tucker the Turtle, a character who helps children learn strategies for managing emotions and solving problems. Families will receive a Tucker the Turtle Home Kit to practice these important social-emotional skills together at home.*
