RE: Discount Bid Supplement E - Bid No. 27-DB-24/E

LETTER OF INTRODUCTION AND STATEMENT OF QUALIFICATIONS

Dear Members of the Purchasing and Evaluation Committee,

On behalf of **Multi Sports LLC, doing business as Multi Sports USA**, I am pleased to submit our company for consideration as a supplier of sporting goods, athletic equipment, and physical education products to Kenton County Schools.

Multi Sports USA brings together the accessibility and personal service of a Kentucky-based sporting-goods supplier with the extensive international industry experience developed through our affiliated sporting-goods businesses in Uganda and Pakistan.

Our goal is to establish a long-term relationship with Kenton County Schools by providing **quality athletic equipment, globally recognized sporting-goods brands, competitive institutional pricing, and reliable customer service**.

A Sporting-Goods Heritage Built Over Decades

Our background in the sporting-goods industry extends well beyond the establishment of our U.S. operations.

Our affiliated sporting-goods business in **Uganda brings 26 years of industry history**, developing substantial product knowledge, supplier relationships, and experience serving sporting-goods customers.

In addition, our family's sporting-goods business activities in **Pakistan date back to 2002**, encompassing sporting-goods manufacturing, sourcing, and supply.

This international background has given our business network extensive familiarity with soccer balls, volleyballs, netballs, boxing gloves, protective equipment, team sports accessories, and fitness products.

Over the years, these activities have contributed to our understanding of manufacturing processes, product specifications, quality control, cost-effective procurement, and customer expectations.

Although Multi Sports LLC is a newer U.S. business, its operations benefit from this longstanding international knowledge and network of industry relationships.

We believe that **combining decades of sporting-goods experience with a locally established Kentucky business** creates an attractive opportunity for schools seeking both competitive pricing and dependable service.

Recognized Sporting-Goods Brands and Supplier Relationships

Multi Sports USA offers a diverse sporting-goods portfolio, led by **HI-TOUCH**, our associated sporting-goods brand, alongside established brands such as **SELECT, Mikasa, and Champion**.

Our principal brand offerings include:

Champion - Athletic and Physical Education Equipment

Our Champion product offering includes available athletic equipment, physical education products, and training accessories.

These brands complement our direct manufacturing and sourcing network, allowing us to pursue a broad range of product options to meet different institutional budgets and performance requirements.

Comprehensive Athletic Equipment and Physical Education Products

In addition to our branded merchandise, Multi Sports USA can offer sporting goods across multiple product categories.

Our principal specialties include **soccer balls, volleyballs, netballs, and boxing gloves**, supported by an expanding selection of athletic and physical education equipment.

Our product categories include:

Competitive Institutional Pricing Through Direct Manufacturing and International Sourcing

One of our competitive strengths is our ability to source selected sporting goods directly from manufacturers and established suppliers in **Pakistan and China**.

Our manufacturing and sourcing relationships provide opportunities to reduce unnecessary distribution costs, evaluate different product options, and offer competitive pricing for institutional customers.

We recognize that Kenton County Schools must carefully manage purchasing budgets while providing students with equipment that meets appropriate quality and performance expectations.

For this reason, our purchasing approach emphasizes:

- Competitive and transparent pricing
- Consistent product quality
- Appropriate product specifications
- Cost-effective sourcing
- Responsiveness to school purchasing requirements
- Long-term supplier relationships

Our objective is not simply to offer lower prices, but to provide **strong overall value while maintaining dependable product quality and service**.

Customized Sporting Goods and Team Equipment

Through our manufacturing and sourcing relationships, Multi Sports USA can also explore customized sporting-goods solutions.

These may include soccer balls displaying school logos and colors, custom team uniforms, and other personalized athletic products.

We understand that school and athletic programs have differing requirements, and we welcome the opportunity to discuss product specifications, quantities, approved designs, and manufacturing lead times for customized orders.

Kentucky-Based Service and Long-Term Commitment

Multi Sports USA operates from **Louisville, Kentucky**, providing a U.S.-based point of contact for purchasing assistance, product inquiries, quotations, and order coordination.

We understand that educational institutions require dependable suppliers capable of supporting routine purchases as well as larger seasonal equipment requirements.

Our approach emphasizes professional communication, accurate order processing, coordinated delivery arrangements, and responsive customer service.

We are committed to fulfilling accepted purchase orders in accordance with the district's contractual requirements, agreed specifications, and applicable delivery timelines.

We aim to be a supplier that Kenton County Schools can approach confidently for product availability, competitive quotations, and ongoing sporting-goods purchasing needs.

Our Commitment to Kenton County Schools

We believe that access to quality sporting goods plays an important role in supporting student participation, healthy lifestyles, physical education, teamwork, and athletic development.

Our international business heritage has given us a strong appreciation for the importance of making sporting equipment accessible to a wide range of customers and institutions.

By combining **HI-TOUCH products, established sporting-goods brands, international sourcing relationships, and Kentucky-based customer service**, Multi Sports USA aims to offer Kenton County Schools a competitive and dependable supply option.

We would be honored to establish a professional relationship with the Kenton County Board of Education and contribute to the continued success of its athletic and physical education programs.

Thank you for your time and consideration. We sincerely appreciate the opportunity to participate in **Discount Bid Supplement E - Bid No. 27-DB-24/E**, and we look forward to the possibility of serving Kenton County Schools.

Respectfully submitted,
